This diagram shows a cross-section of a road with a 1:2.5 slope on the left. The road surface is marked with a centerline and a dashed line. The drainage system includes a gutter with a 2.5% slope and a subgrade with an 8.0% slope. The diagram also shows a 3.00m wide section with a 2.5% slope and a 3.00m wide section with a 2.5% slope. The total width of the road is 331.00m. The diagram includes a 1:2.5 slope on the left and a 3.00m wide section with a 2.5% slope. The drainage system includes a gutter with a 2.5% slope and a subgrade with an 8.0% slope. The diagram also shows a 3.00m wide section with a 2.5% slope and a 3.00m wide section with a 2.5% slope. The total width of the road is 331.00m.

The diagram illustrates a cross-section of a road with a 331.00m wide base and 5.33m wide shoulders. The left shoulder has a 1:2.5 slope. The base has a 2.5% slope, and the right shoulder has a 2.5% slope. The total width is 331.00m.

The diagram shows a cross-section of a road with a total width of 333.00m. The road surface is represented by a blue line, and the existing ground is shown in green. The road has a central 3.00m wide section and two 3.00m wide sections on either side. The slopes are indicated by arrows and percentages: 8.00% on the left, 2.50% on the right, and -8.00% on the left. The elevations are marked at the top: 5.56, 5.60, 5.52, 5.45, and 5.41. The road is flanked by 1:2.5 slopes on both sides.
