

POHLED JIŽNÍ

Architectural elevation drawing of the south facade (POHLED JIŽNÍ) of a building. The drawing shows a long, symmetrical structure with a central section and two gabled end sections. The central section has a flat roof and is divided into four bays, each containing two windows. The end sections have gabled roofs and each contain two windows. A small, lower structure is visible on the left side. The drawing is a line art representation with no shading or color.

POHLED ZÁPADNÍ

Architectural elevation drawing of the west facade of a building. The drawing shows a two-story structure with a gabled roof and a central entrance. The ground level is marked with various elevations: -0.850, ±0.000, -2.050, -1.850, -0.030, ±0.000, and -0.670. The building has a central entrance with a small porch and a balcony above it. The roof is gabled with a small circular window in the center. The drawing is labeled 'POHLED ZÁPADNÍ' (West View) and includes a scale bar from 0 to 10 meters.
