

This architectural elevation drawing shows a section of a building facade. The drawing includes several windows of different sizes and shapes, some with internal panes. A central entrance area is marked with a small square and the number 7. The facade is divided into sections by vertical lines, with some sections labeled with numbers like 13, 15, 19, and 24. A horizontal dashed line indicates a level, with a note '0,000+360,040' on the right. The drawing is a technical representation of a building's exterior, showing structural details and window placements.
